The Washington Metropolitan Area Transit Authority (WMATA), in partnership with the District Department of Transportation (DDOT), invite you to two public meetings for the 30s Line study. The study is looking at ways to improve service along Metrobus routes 30, 32, 34, 35, 36, and M6.

For each meeting there will be an Open House from 6:00 pm to 7:00 pm and a group exercise from 7:00 pm to 8:30 pm. All members of the public are invited to the meetings. WMATA and DDOT are relying on the suggestions of participants—especially regular riders of the 30s and M6 Lines—so please come and bring your ideas!

If you have a disability or other special needs and would like to attend the meetings, please contact the project team in advance at the number below to ensure that arrangements can be made.
